

Cross Country Circular 2 of 2017.

21 April 2017.

Dear Cross Country friends,

The 2017 cross country season kicks off on Saturday 29 April at a cross country event which is part of the annual Protea Cullifest in Cullinan.

Please note that the event starts earlier (11:00) than the usual program to make provision for the rest of the activities that form part of the festival. Also note that they charge a gate fee of R 25.00 (for parents) if you enter from 10:00 am onwards, but it does give you access to the festival which includes performances by various artists like Steve Hoffmeyer and Jakkie Louw. Athletes also pay R 25.00, but that includes their entry fee (race tag) for the event.

Venue: 12 Zonderwater Straat, Cullinan. You can find a map and directions on <http://www.proteacullifest.co.za>.

Start: 11:00.

You can contact Rudi Landman at 082 819 6938.

Entry Fee: R 25.00

The first three finishers in each age category will receive a protea flower.

We use the adjusted program attached.

Hope to see you all there.

The Inter Provincial is now set to take place on Saturday, 10 June 2017 at Erasmus High School in Bronkhorstspuit.

Kind Regards,

Andre Gobey
